WORK EXPERIENCE

Singapore Police Force

Police Officer

Singapore

Nov 2010 – Sep 2013

- Provide for public safety by maintaining order, responding to emergencies, protecting people and property, enforcing motor vehicle and criminal laws, and promoting good community relations.
- At the time of my high school graduation, I was still a Singaporean citizen and it was incumbent for every male citizen to serve his country when he comes of age.
- My duties were varied:
- -Patrol-Traffic Control-Operations Command Center (Instructing cops where to go)-Station Security-Detentions Officer-Reporting Officer.

Fedex

Package Handler and Trainer

Dayton, New Jersey

Sep 2015 – Apr 2017

- *When I first started my job was to put the packages in the trailer and build a sturdy wall of packages.
- The job was physically and mentally intense as you had to fill each trailer as quickly as possible and as fast possible.
- I was later promoted to trainer. I trained the new recruits on how to properly build a wall and how to work the machines.
